#### Breaking the Ice:

What is the worst job you have ever had and why was it the worst?

#### Exploration:

*Read: Genesis 3:17-19*

How does Adam's "original job" stay the same as his "after fall" job?

How does it change?

In the introduction video it was stated that work helps to keep us out of trouble. Do you agree?  
What do you observe about the quality of life of those with a poor work ethic?

How does this help you change your perspective of your work?

Read: *Ephesians 4:28*

Paul offers work as an antidote for stealing- why do you think there is a link between the two?

Are there any other ways in which work can serve to help preserve and purify our society?

In what ways can we individually help perpetuate the concept of the worth of work?

### **Bringing it Home**

What are some practical steps you can take to allow your work to help you be a better person?

### **Bottom Line**

Work is designed to allow us to meaningfully fulfill our ambitions and fill our time so that we are not left as open to destructive behaviors.

### **For Next time**
